MCA Scratch & Win Contest Drawing Method

Each eligible participant will receive one or more randomly generated numbers upon purchase of a qualifying membership package, the entry numbers are randomly generated by a third-party government-approved Random Number Generator system. These numbers are pre-assigned to specific prizes in a secure, randomised database prior to the commencement of the Contest. Winning numbers and their corresponding prizes are predetermined and publicly published on our website to ensure transparency. If a participant's randomly assigned number matches one of the winning numbers, they instantly win the associated prize. All prizes are awarded on a first-come, first-served basis according to valid claims.

Winners will be notified onscreen and by email (as applicable) with instructions to claim the prize. Unless otherwise stated, winners must complete all required steps (including identity verification) within 14 days of notification.

If an MCA Scratch & Win prize is not validly claimed within the claim period, that prize will be forfeited. The Promoter may, at its discretion, conduct a further draw, award substitute prizes of equal or greater value, or allocate the value to the VIP Only Second Chance Draw.

Winner Verification

Entrants may only enter this promotion in their own name. Entrants who provide incorrect, misleading, or fraudulent information are ineligible to participate in the promotion. All entries associated with any entrant deemed by the Promoter (Motor Culture Australia Pty Ltd) to have provided incorrect, misleading, or fraudulent information may, at the Promoter's discretion, be deemed invalid.

The Promoter reserves the right to request that an entrant produce (within the time requested) appropriate photo identification or other documentation (to the Promoter's satisfaction, in its sole discretion) to confirm the entrant's:

- identity, age, and residential address;

- eligibility to enter and claim a prize (including confirmation of active VIP membership where applicable); and
- accuracy of any information submitted in connection with the promotion.

If any documentation required by the Promoter is not received within the requested timeframe, or if an entrant's details or entries cannot be verified to the Promoter's satisfaction, the entrant may be deemed ineligible, and their entries may be declared invalid.

The Promoter reserves the right to verify the validity of any and all entries and reserves the right to disqualify any entrant for:

- (a) tampering with the entry, game mechanics, or winner verification process;
- (b) submitting an entry not in accordance with these Terms and Conditions; or
- (c) engaging in any unlawful, misleading, or improper conduct calculated to jeopardise the fair and proper conduct of the promotion.

The Promoter's legal rights to recover damages or other compensation from any offender are reserved.

A prize will only be awarded following successful validation and verification of the winner's eligibility and compliance with these Terms and Conditions, as determined by the Promoter or its nominated agents, in their sole discretion.

The Promoter reserves the right to request that a winner and, if applicable, their companion(s) produce appropriate photo identification or other documentation (to the Promoter's satisfaction) in order to confirm identity and age before awarding a prize.

It is a condition of accepting a prize that each winner (and any companion, if applicable) sign a Prize Acceptance Form, eligibility declaration, and/or legal release as required by the Promoter in its discretion.

Unawarded Prizes

At the conclusion of the Promotion Period, any prizes that remain unawarded (including prizes that were not triggered, allocated, or otherwise distributed during the course of the promotion) shall be deemed forfeited. The Promoter shall not be required to award any such unawarded prizes to any entrant or any other person, and no compensation, substitute, or alternative benefit will be provided in lieu of those prizes.

For the avoidance of doubt, "unawarded prizes" include, but are not limited to, any prizes that were not triggered by a winning entry, that were rendered invalid through system or entry non-compliance, or that otherwise remain undistributed upon the conclusion of the Promotion Period.

The Promoter will maintain appropriate records of all awarded and unawarded prizes in accordance with applicable state and territory regulations.
